

A BIG THANKS TO VLADIMIR AND JOANNE NOVIKOV AND PLANET GYMNASTICS

Alabama USA Gymnastics wants to say a special thank you to Planet Gymnastics and Vladimir and Joanne Novikov for all their hard work and dedication in making the 2014 Alabama State Compulsory Championships such a success.

Their efforts made sure we had a wonderful facility, great people staffing the event, and a wonderful host hotel that was directly connected to the event site. The Arthur Outlaw Convention Center is a gem of a facility and Planet Gymnastics and their crew made it sparkle even brighter.
